

# CASE STUDY

**LOCATION:** Portadown & Dundonald, Northern Ireland

## Keeping visitors safe at the movies

**Our range of City Bollards have been selected for use in a number of Cinema complexes in Ireland, helping to keep visitors safe.**

Offering a smart and distinctive design, we worked with the client's architects and main contractors to provide a fresh looking bollard. Our street furniture gives an aesthetic edge to a typically common challenge

of how best to protect pedestrians from motor vehicles as they park and manoeuvre around leisure and retail environments.

Emtek are experienced in providing product solutions

that match the client's aspirations, but also within their budgets.

### Vision

It's our aim to provide each customer with quality products and services that are competitively priced, readily available and delivered with excellent levels of service.

We believe our customers should have a great experience when dealing with us and we commit to 5 key service offerings that help us fulfil our vision:

- Dedicated Customer Support
- On-site Demo
- Products Ex-Stock
- Prompt Delivery
- Installation

**Contact us today to see how we can best assist with your project.**
