

# Car, Coach & Truck Stops

Emtek's range of vehicle stops are ideal for car parks, distribution and warehouse locations.

Emtek's CarStop is ideal for car parks and especially useful for retail or community areas where access is tight.

Emtek's CoachStop is suitable for coaches, buses and lower vehicles.

Emtek's TruckStop is perfect for distribution and warehouse locations, as well as infrastructure sites such as ferry ports.

## KEY FEATURES

- Easy Installation
- Minimum Disruption
- Bolted Down
- High Visibility
- Made from Recycled Materials
